

XVth International Winter Road Congress Gdańsk 2018

Deadline extension until 28th February 2017!

The World Road Association organises jointly with GDKKiA, the Polish General Directorate for National Roads and Motorways, the XVth International Winter Road Congress. It will take place in Gdańsk, Poland, from 20th to 23rd February 2018.

Congress Theme: "**Providing Safe and Sustainable Winter Road Service**"

The call for abstracts is open, and authors are invited to submit an abstract before **28th February 2017** using the on-line facility from the Congress website at: <http://abstracts.gdansk2018.piarc.org/en/>

The deadline for submission is extended until 28th February 2017 to accept as many technical papers as possible from worldwide covering the hot technical topics below. You are kindly invited to share your experience or knowledge about Winter Road Service and to exchange ideas amongst global experts at the Congress!

The eight topics of this call are:

- **Topic 1.** Extreme situations, disasters
- **Topic 2.** Climate change and the environment
- **Topic 3.** Road weather information
- **Topic 4.** Road users and road safety
- **Topic 5.** Winter maintenance management and planning
- **Topic 6.** Equipment and products
- **Topic 7.** Winter service in urban areas
- **Topic 8.** Tunnels and bridges

Detailed description of the Congress topics, [download the pdf file](#).

The abstracts must be submitted in either English or French, with a maximum of 400 words. Abstracts written in Spanish may also exceptionally be accepted. However, please note that all full papers should be written and submitted in English or French.

The Congress is designed to be very accessible, with registration fees ranging from 180 to 500 EUR.

For further information about the Congress and about exhibitor packages, please visit our Congress Official Website:
