

SPECIFICATIONS FOR HIGHWAY BRIDGES

PART I COMMON

MARCH 2012

JAPAN ROAD ASSOCIATION

Contents

CHAPTER 1 GENERAL.....	1
1.1 Scope.....	1
1.2 Definitions.....	2
1.2.1 Definitions.....	2
1.2.2 Meaning of Language.....	3
1.3 Basic Principles of Design.....	4
1.4 Investigation.....	7
1.5 Planning.....	7
1.5.1 Selection of Bridging Location and Bridge Type.....	7
1.5.2 Relationship with Crossing Objects.....	9
1.6 Basic Principles of Design.....	10
1.6.1 Design Method.....	10
1.6.2 Considerations Related to Structural Designs.....	11
1.7 Matters to be Described on Design Drawings, etc.....	15
CHAPTER 2 LOADS.....	19
2.1 Types of Load.....	19
2.2 Loads.....	20
2.2.1 Dead Load.....	20
2.2.2 Live Load.....	21
2.2.3 Impact.....	31
2.2.4 Prestress Force.....	35
2.2.5 Influence of Creep and Drying Shrinkage of Concrete.....	42
2.2.6 Earth Pressure.....	51
2.2.7 Water Pressure.....	56
2.2.8 Buoyancy or Uplift.....	60
2.2.9 Wind Load.....	61
2.2.10 Effect of Temperature Change.....	74
2.2.11 Effect of Earthquakes.....	78
2.2.12 Snow Load.....	78
2.2.13 Effect of Ground Displacement and Support Movement.....	79
2.2.14 Wave Pressure.....	81
2.2.15 Centrifugal Load and Braking Load.....	82
2.2.16 Construction Load.....	83
2.2.17 Collision Load.....	83

CHAPTER 3 MATERIALS	86
3.1 Steel Materials.....	86
3.2 Concrete.....	98
3.2.1 General.....	98
3.2.2 Materials for Concrete Mixture.....	99
3.2.3 Concrete Strength.....	102
3.3 Physical Constants Used in Design Calculation.....	103
CHAPTER 4 BEARING AND EXPANSION JOINT	107
4.1 Bearing.....	107
4.1.1 General.....	107
4.1.2 Forces Acting on a Bearing Assembly.....	108
4.1.3 Amount of Bearing Movement.....	111
4.1.4 Connection Between Bearing and Superstructure or Substructure.....	114
4.1.5 Consideration of Durability.....	117
4.1.6 Installation of Bearings.....	119
4.2 Expansion Joint.....	120
4.2.1 General.....	120
4.2.2 Design Amount of Expansion or Contraction.....	122
4.2.3 Forces Acting on Expansion Joint.....	124
CHAPTER 5 ACCESSORIES AND OTHERS	125
5.1 Bridge Guard Fence.....	125
5.1.1 General.....	125
5.1.2 Effect of Bridge Guard Fence on Deck Slab.....	125
5.2 Drainage.....	127
5.3 Bridge Pavement.....	128
5.4 Inspection Facilities.....	130
5.5 Accessory Facilities.....	130
5.6 Affixed Articles.....	131
5.7 Others.....	132
CHAPTER 6 RECORDS	133
6.1 Bridge Ledger.....	133
6.2 Bridge Nameplate.....	133
6.3 Matters Concerning Design and Construction.....	134
